Plan for activation of Students' Council

Plan to Activate Students Council

Plan 1- Classroom decoration competition

Plan 2- Student of the Month

Plan 3- Ethics, Life Skills, Critical Thinking, and Entrepreneurial Skills Week in May

Plan 1- Classroom Decoration Competition

- A full week competition between classes will be organized in the 1st week of September, to develop collaboration, trust, improve motivation, and nurture strength of the Students' Council as well as class representatives and other students of the school

Benefits

- Activate the students (There will be a desire to learn and do something new out of everyday affairs
- Leadership (planning which type of resources required, which type of design or chart should be made) & execution of the plan with team.)
- Management (how to utilize given resources)
- Team building(how to deal with the behavior change of the team, classmates and to deal with their attitudes to get better results)
- Confidence development
- Improved Morale
- Improved Mental & Physical Health
- Creativity is encouraged

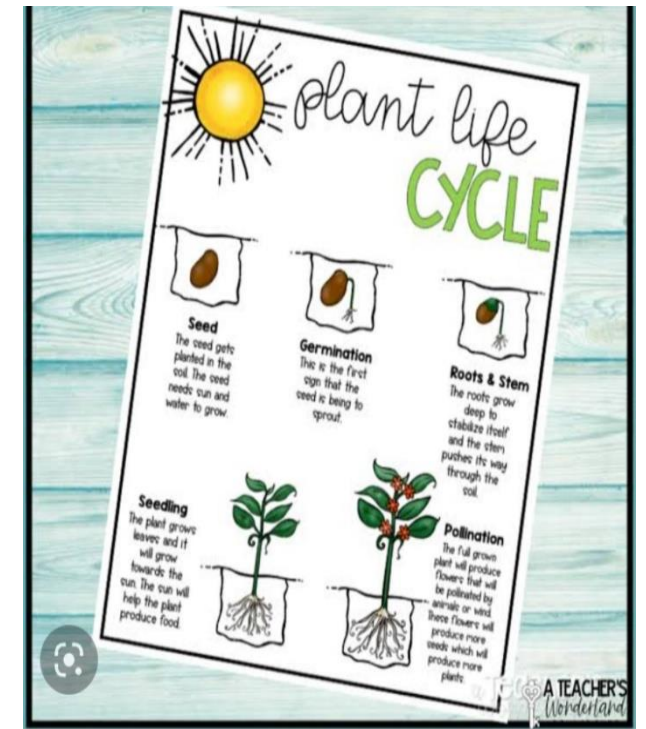
Execution

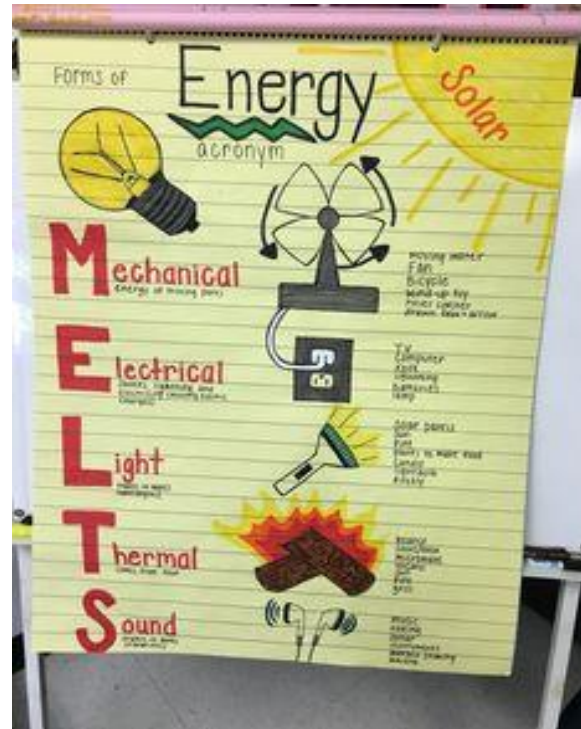
- Head teacher will chair a meeting and announce a classroom decoration competition
- An active focal teacher name will be announced to help student’s council and Class Representatives
- Class in-charges will be responsible to supervise the whole classroom decoration and facilitate the students and to give them Ideas of charts and doors decoration to execute

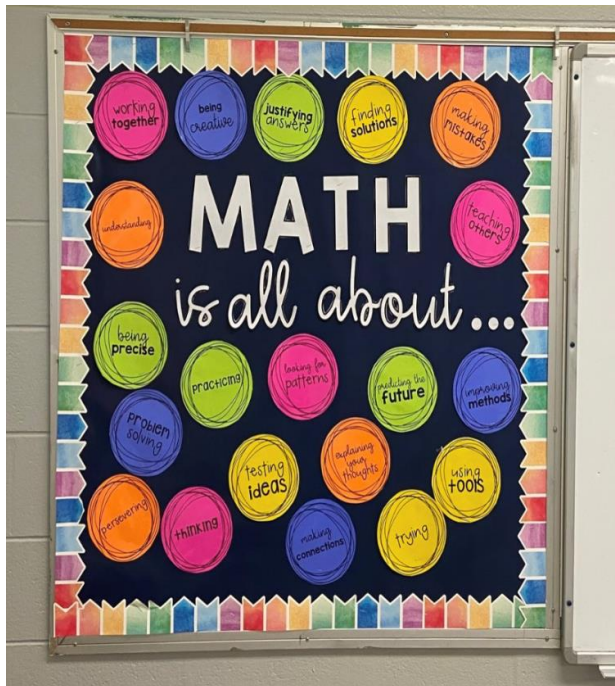
Activities to be performed.

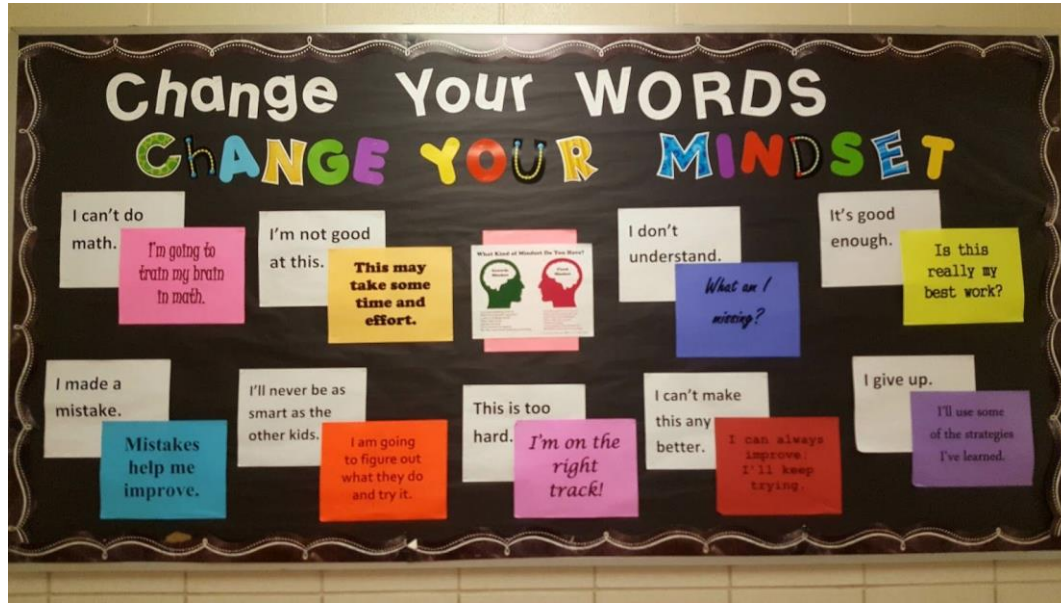
- Classroom decoration competition
- Charts making competition
- Door's decoration competition

Some Ideas

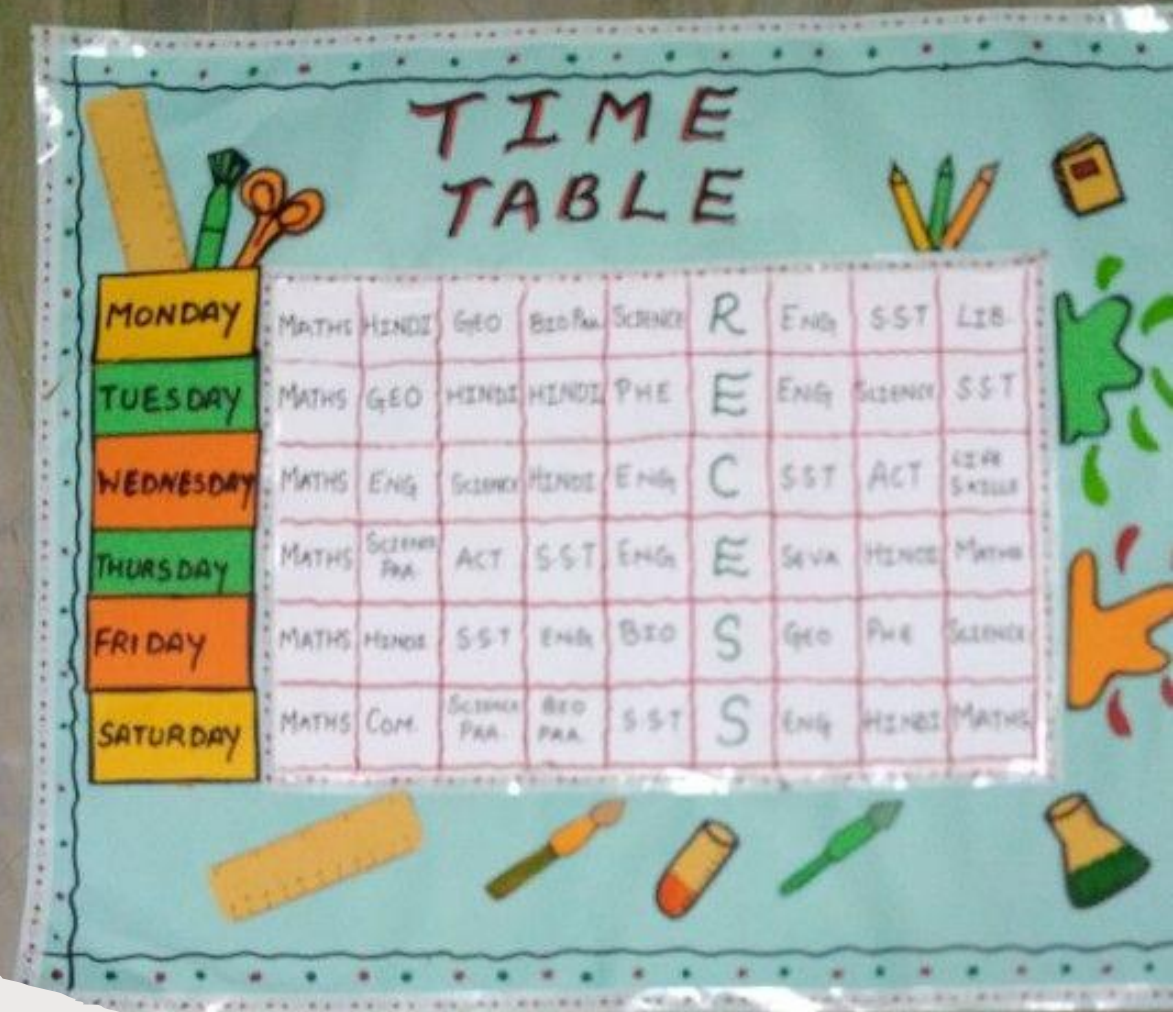
1- Subject related charts (English, Urdu, Physics Chemistry Biology, Computer, Mathematics)




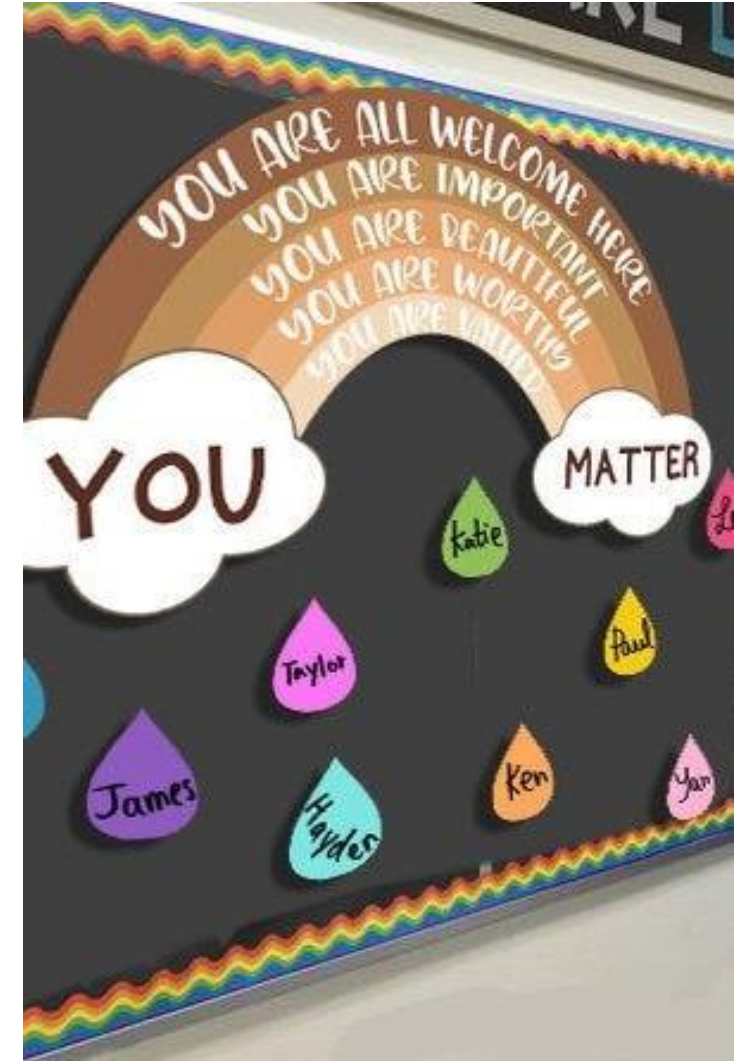


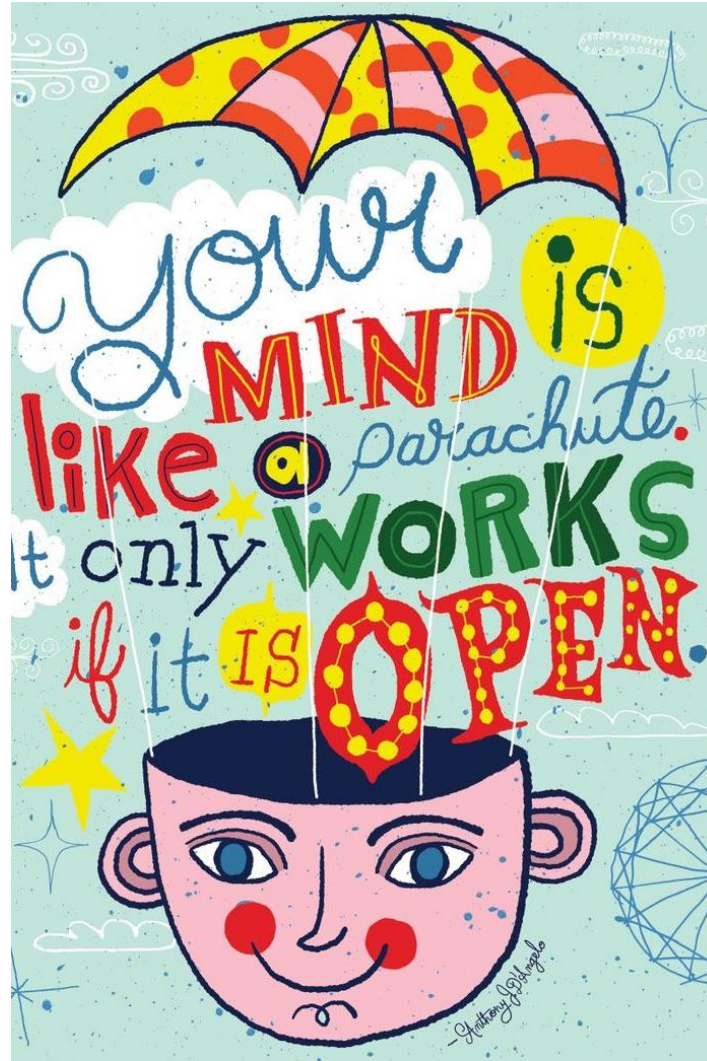


2- Charts on quotations e.g., Islamic, English, Urdu

3- Charts on Classroom Rules & Discipline...


4- Charts on Timetable

5- Charts on Motivational quotations.




6- Door's decoration ideas

Resources required

- Glue gum

- Colour Markers
- Glaze papers
- Glittering sheets
- Transparent cover sheets for doors.

Result

- Well-decorated and neat & clean classrooms in a week.
- Reducing the Expense of paint
- Best , decent, disciplined and well decorated class CR will be awarded by trophy

Plan No 2- Student of the Month

- Student of the month is an award that recognizes students who excel in academic and/or character aspects of school life

Benefit

- Recognizing students for their efforts can be impactful. We all remember a time when a teacher recognized us for our actions or work. It can really help those students who usually feel overlooked. Recognizing a Student of the Month or a Student of the Week is one way we can show students that they are seen

Criteria for selecting the Students of the Month

1-Academic Performance

- 1 average,- 2 good, 3- great, 4- outstanding
- Statement and/or data:

2-Character

- 1 average,- 2 good, 3- great, 4- outstanding
- Statement and/or data:

3-Behavior

- 1 average,- 2 good, 3- great, 4- outstanding
- Statement and/or data:

4- Self-discipline

- 1 average,- 2 good, 3- great, 4- outstanding
- Statement and/or data

5-Social Relationships

- 1 average,- 2 good, 3- great, 4- outstanding
- Statement and/or data:

6-Attendance

- 1 average,- 2 good, 3- great, 4- outstanding
- Statement and/or data:

Implementation

- Notify on bulletin board of the class on monthly basis

Plan-3

- Ethics, Life Skills, Critical Thinking, and Entrepreneurial Skills Week celebrations will be held in the last week of May

Strategy

- By using the school's multimedia and halls/auditorium for creating a cinema like environment where videos on the above said themes will be screened
- Two carefully selected videos on each theme will be screened in three hours giving one break b/w. Grades 1 to 5, grades 6 to 8 and grades 9 to 2nd year will be watching these screenings in batches
- After screenings students will form teams and do activities based on these themes within the same hall/auditorium
- Videos on inspirational person's biographies may also be screened

Benefits

- Ethics may include Tolerance, civic sense, inclusive societal values, and compassion
- Life skills component may include behavioral skills like confidence, emotional intelligence, decision making, self-awareness, empathy social norms, in-dependency and codependency, coping with day to day stresses and abiding law of land
- Critical Thinking can include out of the box thinking, getting student ready for future smart world, and shifting focus from industry worker production to more intelligent, independent and productive / innovative generations
- Entrepreneurial skills may include the creativity to bring new ideas, problem solving attitude, proposing innovative ideas in changing world dynamics, developing strategies to shift from the traditional way of business and time management skills

Thank You
